

**Do what you love
Love where you live...**

... because lifestyle matters.

Northern Health leads the way in promoting health and providing health services for Northern and rural populations. Our vision of building a strong primary health care system for all Northerners will create a dynamic work environment that challenges all of your skills. We are also dedicated to optimizing the expertise of our staff and relationships with regional educational institutions for training opportunities such as new physicians, nurses, and paramedical professionals.

We invite you to join our team as we build healthier communities and develop a network of outstanding healthcare professionals.

Exciting Opportunities for . . .

Medical Laboratory Technologist

To be qualified in this position you will have obtained recognized training as a Medical Laboratory Technologist and registration with the Canadian Society of Medical Laboratory Science.

At Northern Health we have something special to offer...

- Work within supportive environments
- Use skills that you were trained for
- Continuing Education
- Tuition reimbursement of \$500 per year to support ongoing education
- Beautiful surroundings - incredible scenery, wildlife habitat, camping, hiking, swimming, skiing

Where else . . .

- can you embrace your practice and forget your commute?
- is housing so affordable and the landscape so diverse?
- do you have to divide your time between the lakes, rivers, wildlife, and mountains?

. . . Northern BC!
