HONORARY AWARDS NOMINATION

The awards are sponsored by the British Columbia Society of Laboratory Science and are intended to recognize and acknowledge individuals for outstanding performance, dedication, and contribution to the profession of Medical Laboratory Technology or to the BCSLS. Contributions can be at either the national, provincial, or local level.

All Honorary Awards are given to the technologists or assistants who are, at the time, members of the BCSLS.

The eligibility of nominees shall be determined by the Awards Committee, and the granting of the award categories shall be determined by the Board of BCSLS.

Types of Awards:

GOLD: Recognizes those who have made a continued outstanding contribution to the advancement and awareness of Medical Laboratory Technology in BC at a provincial or national level.

SILVER: Significant contribution to the BCSLS activities and to the profession of Medical Laboratory Technology over a period of years. The contribution shall exceed those expected through the responsibilities of their position or office and may be primarily at a local level.

BRONZE: Recognizes outstanding contributions to Medical Laboratory Technology over a number of years at the provincial or local level or in professional activities
