

PRIVACY AND SECURITY BREACH SERVICES

WHAT DO I DO IF I THINK I'VE HAD A BREACH?

At the first sign of a breach, contact our claims team at **1-866-856-9203** or **claims@trisura.com**

Trisura Guarantee Insurance Company now provides privacy and security breach services that will help you react in the event of a data breach, without the expense of hiring in-house expertise.

WHAT IS A DATA BREACH?

A data breach is a security incident where an untrusted source gains access to sensitive, protected or confidential information.

PRIVACY AND SECURITY BREACH CONSULTING SERVICES

In the unfortunate event of a breach, Trisura's group of experts will help you quickly develop a clear breach response strategy and incident management plan. Services include:

- **Breach counselling:** help with determining whether a breach has occurred and assess the severity of the incident
- **Crisis management:** time-saving, professional approach
- **Media relations consulting:** public relations assistance to help restore your business' reputation
- **Legal support:** a clear outline of steps taken and remediation

ENHANCED INSURANCE COVERAGES FOR A COMPLETE PRIVACY AND SECURITY INSURANCE PACKAGE

Trisura offers additional insurance coverages to mitigate the impacts of a breach on your business. Contact your insurance broker today for more information about these optional enhanced coverages:

- **Regulatory research and compliance expense:** coverage for legal advice and guidance on applicable legislative requirements
- **Forensic investigation expense:** coverage for forensic expertise who help determine how the intruder got into the device/system and what data has been compromised
- **Notification expense reimbursement:** covers the costs for a breach expert to assist in drafting a notification message along with all printing, mailing, postage or address verification costs for sending this notification message
- **Notification recipient services:** covers the cost in providing fraud remediation services to individuals that have been affected by the breach
